New Enrollment Form
Enrollment Instructions

Your username is the first 6 letters of your last name, your first initial followed by the last 4 digits of your Social Security number. Your password is your 9 digit Social Security number (no dashes). **If you changed your password in Spring, use it not the social.**

Example:

Username	<input type="text" value="robersk1234"/>
Password	<input type="password" value="●●●●●●●●"/>

Important IRS Notice: New mandated federal regulations require all dependent socials for any elections made for medical, dental, and/or vision. All employees are required to login and update their dependent information prior to the plan effective date 9/1/2009. To update your dependent information in the system click dependent information and select the pencil to edit. Example:

dependent
information

Test, Jeff [spouse]
Test, Chester [child]
Test, Rebecca [child]
Test, Sydney [child]
Add Child
